

Learning Walks

Not sure you have enough time to train or do you want to keep consistency in your training plan? Learning walks are a great way to keep your dogs training consistent and get in extra practice when life gets busy. Or I can establish a new skill for you and then teach you what your dog knows through a transfer skills session if you don't have the time to train the desired skill(s).

Single Sessions

30 minute visit - \$52.50

each additional dog - \$15

1 hour visit - \$78.75
